Create Your Project

This form is to place an order for photo restoration. Our scanning process is a non-destructive process. Your original print will be returned to you in the same condition in which it arrived.

Along with your order and down payment, please complete the **project worksheet** associated with your project. This worksheet will walk you through titling and grouping along with other project options. *Include this worksheet with your package to ensure your completed project turns out just as you expect.*

Step One: Extra Copies

Your restoration package includes a photographic print of your restored image as well as a high resolution digital copy of your restored image stored onto an archival gold CD.

Additional copies of the print and the CD are available for \$8.
